accreditation statement

This activity has been planned and implemented in accordance with the Essential Areas and policies of the Accreditation Council for Continuing Medical Education through the joint sponsorship of SciMed and the Triangle Indian-American Physicians Society. SciMed is accredited by the ACCME to provide continuing medical education for physicians.

credit designation

SciMed designates this educational activity for a maximum of 6.0 AMA PRA Category 1 Credit(s)TM. Physicians should only claim credit commensurate with the extent of their participation in the activity.

credit requirements

There are no fees for participating and receiving CME credit for this activity. To successfully complete this CME activity, participants must:

- Attend/participate in the entire educational activity and review the course materials
- Complete the activity evaluation, which includes a request for credit section
- Return the completed forms to the registration desk
- Participants will be mailed a certificate or statement of credit within 4 to 6 weeks

disclaimer

The opinions or views expressed in this CME activity are those of the presenters and do not necessarily reflect the opinions or recommendations of SciMed, TIPS, or the commercial supporters. Participants should critically appraise the information presented and are encouraged to consult appropriate resources for information surrounding any product or device mentioned.

PLANNING COMMITTEE:

PAVAN K. YERRAMSETTY, MD ~Raleigh Neurology
ASHWIN A. PATKAR, MD ~Duke University School of Medicine
PRASHANT K. PATEL, MD ~Cary Internal Medicine & The Diabetes Center
VANDANA DEVALAPALLI, MD ~WakeMed Faculty Physicians - Internal Medicine
RAJENDRAPRASAD MAKAM, MD ~Center for Digestive Diseases

The 3rd Annual Triangle Indian-American Physicians Society CME Symposium

A CME Symposium jointly sponsored by the Triangle
Indian-American Physicians Society (TIPS) and SciMed

Jointly Sponsored by

and

Supported by a principal educational grant from
Forest Laboratories, Inc. and an educational grant from
Abbott Laboratories, Amylin/Eli Lilly and Company,
AstraZeneca, Olympus, and Takeda Pharmaceuticals, Inc.

Saturday, June 21, 2008
7:30AM to 4:00PM

HILTON-NORTH RALEIGH
3415 Wake Forest Road, Raleigh, NC 27609

919/719-8821, RSVP • 919/872-2323, Hotel

program agenda

- 7:30 am Registration & Breakfast
- 8:15 am Welcome and Introduction

P. Murali Doraiswamy, MD
- 4:00 pm Closing Remarks
Prashant K. Patel, MD

educational objectives

Upon completion of this program, participants should be able to:

- Identify the etiologies and treatment paradigms for dementia
- Discuss the legal aspects of pain management
- Identify differences in the prevalence of dyslipidemia and responses to treatment in various populations
- Review concepts of diabetes screening and prevention
- Recognize Cardiometabolic Risk (CMR) and the management of these “Risk Factors” in the diabetic patient
- Describe the diabetes treatment paradigm set forth by the ADA/EASD (American Diabetes Association/ European Association for the Study of Diabetes)
- Explain current concepts regarding GERD and other commonly encountered Gastrointestinal disorders
- Discuss the latest guidelines for screening for Barrett's esophagus and for colon cancer
- Translate the clinical uses of Endoscopic Ultrasound
- Explain the public health importance of peripheral vascular and cerebrovascular disease
- Employ appropriate screening tests for diagnosing asymptomatic peripheral vascular disease
- Identify patients who should be referred for more detailed invasive and non-invasive vascular work-up
- Review the lifestyle strategies to address the related decline in brain function

purpose

This is a program designed to update primary care physicians, physician extenders, endocrinologists, cardiologists, nephrologists, neurologists, gastroenterologists and psychiatrists in upcoming hot topics for 2008.

target audience

This activity has been designed to meet the educational needs of primary care physicians, physician extenders, cardiologists, nephrologists, neurologists, gastroenterologists and psychiatrists.

faculty disclosures

All faculty participating in continuing education activities sponsored by SciMed are required to disclose to the audience any real or apparent commercial financial affiliations related to the content of their presentations and materials.

program registration
